

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

DECLARATION BY <INVENTOR NAME> UNDER 37 C.F.R. § 1.132

I, <Inventor Name>, declare as follows:

1. I am an inventor of the inventions in this US Patent Application No. 12/345,678.
2. <Declare Facts Showing Inventor Qualifies as an Expert in The Technology>
3. I have reviewed the Office Action from the United States Patent and Trademark Office (“USPTO”) dated <Date of Office Action>. I have also checked the prior art references, i.e., <Cited Reference 1>, <Cited Reference 2>, and <Cited Reference 3>, cited in the Office Action. I have also reviewed the amended claims in the current Response to the Office Action. In particular, I have examined the rejections of the claims in the Office Action, as allegedly obvious given the cited prior art references. Therefore, I am submitting this Declaration to show specific technical facts and my technical opinion relevant to statements made in the Office Action, particularly in the rejections of the independent claims <Claim #s>.
4. <Describe Overview of the Design of an Example of the Claimed Invention>
5. <Describe Example Device and Method Tied to Elements of Claimed Invention; Particularly to Points of Novelty>
6. <Describe Essential Requirements for Use and Operation of a Device and Method>
7. <Describe How the Claimed Invention Device and Method Meets the Requirements>
8. <Describe How the Cited Reference Device and Method, and the Allegations and Findings Made in the Office Action, Fail to Meet the Requirements>

Example Declaration under 37 CFR 1.132

9. <Describe Tests and Results Obtained Relative to the Claimed Invention Device and Method>
 <Describe Tests and Results Obtained Relative to the Cited Reference Device and Method>

10. <Provide Diagrams, Charts, Graphs, and Data, From Test Results - Factual Evidence>

11. <Provide Expert Opinions and How Supported By the Test Results – Factual Evidence.>

12. <Specifically Describe How Elements of the Claimed Invention Device and Method are Associated With: Unexpected Results, Commercial Success, Solution Of A Long-Felt Need, Inoperability, Invention Before The Date Of The Reference, And Allegations Of Derivations.>

I, the undersigned, declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application of any patent issuing from the application referenced herein.
